

# Gateway Interactive Application/Game Privacy Policy

## DATA

We use technologies like cookies (small files stored by your device), web beacons, or unique device identifiers to anonymously identify your device so we can deliver a better experience. Our systems use information like your operating system and IP address in real time to connect to our services. This "Real Time Data" is not stored by our systems after it has been used.

We do not collect personally identifiable information about you. In other words, we do not collect information such as your name, address, phone number or email address. In Situations where our application or services interact with your Social Networks accounts we do not collect or store any personal information from them.

We do not knowingly contact or collect personal information from children under 12. If you believe we have inadvertently collected such information, please contact us so we can promptly obtain parental consent or remove the information.

## LOCATION

In events where we collect any location telemetry data about your device this data is analysed in real time to provide a better experience to you and is not stored by our systems.

## ACCESS

Information we have stored, such as Cookies web beacons or unique device identifiers can be requested for deletion. You can contact us by methods detailed below to request to have this information deleted.

## DELETION

Except where users have requested data deletion we may keep data indefinitely.

## SHARING

We do not share personally identifiable information (such as name, address, email or phone) with other companies.

## AD TRACKING

We do not allow advertising companies to collect data through our service for ad targeting.

## CONTACT

If you have any questions or concerns about our privacy policies, please contact us: Gateway Interactive, 3<sup>rd</sup> Floor Wilberforce Court, Alfred Gelder Street, Hull, East Yorkshire, hu11uy or email [pripol@gatewayinteractive.co.uk](mailto:pripol@gatewayinteractive.co.uk)

## VENDORS

In order to better serve you, we may share your stored anonymous information with other companies that provide systems and services to us, including vendors and contractors. Their use of information is limited to these purposes, and subject to agreements that require them to keep the information confidential. Our vendors provide assurance that they take reasonable steps to safeguard the data they hold on our behalf, although data security cannot be guaranteed.

## SECURITY

We take reasonable steps to secure your personally identifiable information against unauthorized access or disclosure. We encrypt transmission of data between your devices and our own systems. However, no security or encryption method can be guaranteed to protect information from hackers or human error.

Information we collect may be stored or processed on computers located in any country where we do business.

## SPECIAL CIRCUMSTANCES

To operate the service, we also may make identifiable and anonymous information available to third parties in these limited circumstances: (1) with your express consent, (2) when we have a good faith belief it is required by law, (3) when we have a good faith belief it is necessary to protect our rights or property, or (4) to any successor or purchaser in a merger, acquisition, liquidation, dissolution or sale of assets. Your consent will not be required for disclosure in these cases, but we will attempt to notify you, to the extent permitted by law to do so.

## NOTES

This privacy policy was last updated on 14/04/2014. Our privacy policy may change from time to time. If we make any material changes to our policies, we will place a prominent notice on our website or application. If the change materially affects registered users, we will send a notice to you by email, push notification or text.
